Ample PAT Testing is committed to operating in a safe, ethical and environmentally responsible manner.

We will:

- Commit to complying with all legal requirements, environmental legislation and regulations appropriate to our activities.
- Endeavour to minimise pollution resulting from our actions and investing in projects that will offset the carbon footprint of our business.
- Set environmental objectives and targets which will be continually monitored and reviewed to achieve the best possible practice in years to come.
- Communicate our policy to all persons working for or on behalf of Ample PAT Testing and to our suppliers.
- Motivate and enthuse employees to actively involve themselves in the policy, to always seek to improve their actions and to influence people we work with to do the same.
